Letters. Nos 4782 of 26-2-04 & 4797 of 27-2-04 from the Comptroller to the Govt. of H. H. the Maharaja of Mysore:

Re Small Silver sent from the Small Coin Depot Calcutta

In reply to the request made by the Comptroller to report why the remittance of Small Silver sent from the Depot at Calcutta was refused, the above officer states that it will be seen from the + enclosed letter from the Assistant State Huzur Treasury officer that the coins were never brought to the Treasury and enquired, that the consignment, which was anxiously expected, not having arrived, the officer in charge State Huzur Treasury fearing that it might have been misdirected to Mysore as this it was addressed simply to Mysore, wired to Mysore to ascertain if it was sent to that Treasury and got a reply to say that the remittance was not received in that Treasury; that the mistake appears to have arisen as the consignment having been addressed by the Depot simply to the Mysore Durbar without naming any station at which it should be delivered - and that as the Hon'ble the Resident's Treasury is reported to have received the coins the officer in charge of that Treasury has been requested to send them to the State Huzur Treasury,

+ Copy enclosed in Comptroller's letter

* Subsequently received;

The Comptroller has also forwarded copy† of a letter from the Dy. Comr. Dey. Depard, Rajpore Dist. who states that a remittance was directed to "Rajpore Durbar" was brought there and the Police Officer in charge was told that it was for the State Huzur Treasury and that if he required any funds for taking the remittance to Bamsalore it would be given him

The Comptroller further suggests that to avoid such mistakes arrangements may be made with the Hon'ble the Resident to have all future consignments addressed to the officer in charge of the State Huzur Treasury - Bamsalore -

SIR,

Adverting to your memo No.906 dated 23rd February 1904 forwarding copy of a telegram of the 22nd idem from the Comptroller General Calcutta regarding the small silver coins for Rs.50,000/- despatched from Calcutta, and enquiring why, as alleged by the Escort Officer in charge of the consignment, the Durbar refused to take delivery of the Coins, I am directed to state as follows:-

A communication No.8949 dated

9th

from the Asstt Comptr Genl, Calcutta,
9th February 1904 intimating the probable
despatch of the silver coins on or about
15th February 1904, was forwarded on the
16th idem to the Comptroller for needful
action. Similarly, your endorsement No.
822 dated the 15th February was communicated
to that Officer, and by him to the Officer
in charge of the State Huzur Treasury.

Although anxiously expected, the consign-
ment did not arrive at the State Huzur Trea-
sury, and was not refused as alleged by the
Escort Officer.

Upon enquiries made after the
receipt of your communication now under reply,
it has been ascertained that the consignment
was taken to the Mysore City, and there the
Escort Officer was informed that it had to be
taken back to the State Huzur Treasury, Banga-
lore, and an ~~Officer~~ offer was also made to make an
advance of any money that might be required
for additional expenses. The mistake there-
fore appears to be due to the fact that the
consignment was addressed to the Mysore Durbar,
Mysore, instead of to Bangalore.

The Durbar very much regret the inconvenience caused, and beg to suggest that in future all consignments of money may be kindly ordered to be addressed to the Officer in charge of the State Huzur Treasury Bangalore. At the same time care will be taken by this Office to state in future applications for money, to what address the consignments should be sent.

I am to request, in conclusion, that the small silver coins under reference, which appears to have been deposited in the Hon'ble the Resident's Treasury, may be kindly ordered to be forwarded to the Officer in charge State Huzur Treasury, Bangalore.
